

Your Paper's Title for Submissions to JILCW2020 (14 Points, Centered)

Author Name,¹ Author Name,^{1,2} and Author Name^{3,*}

¹ *Affiliation, Department, University/Institution, City, Country*

² *Affiliation, Department, University/Institution, City, Country*

³ *Affiliation, Department, University/Institution, City, Country*

[Contact E-mail: abc@xx.xx]

The title is to be typed using Times New Roman in 14 points, centered and boldfaced. After 1 line of blank, the author names are listed with Times New Roman in 11 points, centered. The name of the presenting author should be underlined. The authors' list is followed by, after 1 blank line, his/her affiliations, consisting of institute, university (or company), city and country. Only one Contact E-mail account is listed and centered after 1 line of blank within [square brackets].

After 1 line of blank, the abstract text starts justified between the left and right margins. Main text is typed using Times New Roman 11 points. There is no line of blank between paragraphs. Images can be inserted but all the texts must fit within one A4-page of this template.

Figure 1 Caption.

References in the text are given with numbers within square brackets [1] in the text and the list of references is given below the abstract, see the example below. The number of the reference is given within square brackets followed by author(s), the name of the journal in italics, the volume number in bold, the first page number, and the publication year within brackets.

Authors are encouraged to prepare figures in color. All the accepted abstracts will be electronically distributed at the conference desk in a USB memory stick.

The abstract should be submitted via abstract submission webpage <https://officepolaris.co.jp/entry/view.php?id=47630> by March 30, 2020 for oral presentation and by April 31, 2020 for poster presentation. The abstract file must be in font embedding PDF format without protection. The file size is not exceeding 5MB. If you have any problems in the abstract submission, please contact JILCW2020 program committee [kimura@phys.kyushu-u.ac.jp].
